ABOUT

I'm a self-motivated, interest driven computer science major with a passion for solving complex problems and creating innovative new software solutions. I love taking on projects way over my head and have a deep appreciation for things that pull me out of the lab every once in a while. Hobbies include reading, running, gaming, and writing.

Proprietary Software: IntelliJ Idea/CLion/Pycharm, MATLAB, Putty, VMWare, Eclipse, VSCode, WireShark
